NOTIFICATION.

No. 4406—L.A., Bangalore, dated 8—10th October 1951.

As required by Rule 69 of the Rules of Procedure and Conduct of business in the Mysore Legislative Assembly, the following report of the Select Committee on the Cattle Trespass (Amendment) Bill, 1951, with the amended Bill is hereby published.

G. S. VENKATARAMANA IYER,
Secretary,
Mysore Legislature.

Report of the Select Committee on the Cattle Trespass (Amendment) Bill, 1951.

(Presented on 8th October 1951)

We, the Members of the Select Committee to which the Cattle Trespass (Amendment) Bill, 1951 was referred have considered the Bill in detail and have the honour to submit the following report :—

Clause 2.

While we are satisfied that it should be left to the State Government to prescribe by notification the scale of fines to be levied for impounding cattle, we consider it desirable that the Legislature should be kept informed of the scales prescribed by the Government from time to time and should also have an opportunity of modifying the scales if need be. We accordingly recommend that section 12 proposed to be substituted may be re-numbered

as sub-section (1) of section 12 and that a new sub-section be added as follows:—

"(2) Every notification issued under sub-section (1) shall come into force from the date of its publication in the *Mysore Gazette* and shall be laid before the Legislative Assembly, if it is in session as soon as may be after the issue of the notification and if it is not in session within three days of its re-assembly, and any member may, by a resolution moved within a period of seven days beginning with the day on which the notification is so laid before the State Assembly, seek to make any modification in such notification and if such resolution is passed by the Assembly, the notification shall thereafter have effect only in such modified form, but without prejudice to the validity of anything previously done thereunder."

The Bill was published in the *Mysore Gazette* Extraordinary dated the 14th March 1951.

In our opinion the Bill has not been so altered as to require circulation.
